Hi Avelino,

Two issues came up in Massachusetts that the board might have addressed and I didn't hear the answer. If not maybe you or the board can help with the answers.

1.) Our INTRA state bus permits are effective October 1, 2007 to Sept. 30, 2008. If an INTERstate bus carrier ie. Peter Pan Bus Lines is opting for the UCR, do they need to get INTRA state permits until such time as UCR is started. If UCR is effective for example for 1/1/08 does the company need to comply with INTRAsae requirements from Sept. to December?

2.)We received a question from a moving industry attorney who questions the UCR form compliance.

"proposed application which I have seen as circulated by the Board (specifically Section 3) should be addressed to conform to the portion of the federal statute governing fees paid by freight forwarders (49 USC 14504a(f)(1)(A) Basis of Fees).....I am not convinced ...that it will capture the "fair share" of fees attributed to freight forwarders."

Any Comments would be helpful.
