88-3 05/15/2014 Introduced: Gutierrez, Avelino Seconded: Morris, Scott

Avelino Gutierrez wants to get the structure in place how to handle administrative funds when they become available within the next 6-9 months. Mr. Gutierrez moved to form an Administrative Costs Subcommittee under the provisions of the UCR Act that allows the board to appoint any additional subcommittee and task forces the Board deems necessary. He believes we need to be ready for the time when we have administrative funds either under Grow America or present law. Mr. Gutierrez continued we need to know what are our legitimate costs and where the Board should go when funds are available to pay costs.

Notes: Meeting minutes do not indicate a vote.

Scott Morris seconded the motion and volunteered to serve on the committee. Other members volunteering to serve are:

Dave Lazarides
Woody Chambers
Angel Oliver

Gene Eckhardt volunteered to serve and chair the Committee.

Mr. Eckhardt continued they will meet in Seattle to lay groundwork and assign tasks. Their goal is to ascertain legitimate costs and the process to pay them. The draft letter that will be sent to FMCSA helps define the mission. The email from FMCSA describes how the entire regulatory framework may change under GROW AMERICA which could affect the work and administrative costs of the board. The subcommittee will evaluate the administrative costs issue regardless whether we proceed under the current regime or GROW AMERICA. Mr. Eckhardt asked for the subcommittee name to reflect Administrative Expenses rather than Administrative Costs.

94-3 01/22/2015 Introduced: Gutierrez, Avelino Seconded: Morris, Scott Passed

that the Board authorize reimbursement of travel expenses to Charleston, SC for all subcommittee members appointed or reappointed today (Exhibit D) under two conditions:

- 1) The subcommittee meet in Charleston and actually perform subcommittee work; and,

94-4 01/22/2015 Introduced: Gutierrez, Avelino Seconded: Bowling, Sandy Passed

3. The chair of the Depository Subcommittee shall give a report at each Board meeting of all checks issued since the previous Board meeting.

First Scott has to obtain at least to bids on the bookkeeping help and submit those with his recommendation to the UCR Board Chair. Second, submit a request of the travel and other expenses after the fact in the same manner as prescribed by Gene Eckhardt for the Charleston travel.

that the Board approve the Safer R4425 – UCR registration upload enhancement and action item 139 – Enhancing the UCR payment flag as well as action item 141 – UCR history download consistency issue as explained

Notes: Sandy Bowling – Discussed three items brought up by the _____ that needs to be accepted by the Board.
First item was the Safer R4425 – UCR registration Upload Enhancement. This change is due to the changes that URS will create in that there won't be any MC numbers etc.
Second - action item 139 – Enhancing the UCR payment flag. This will require states make the Minutes of the Ninety-Fifth Unified Carrier Registration Plan Board of Directors Meeting March 3rd, 2015
Page 3 of 3
same report when a carriers registration is deleted. The registration will be removed from safer instead of changing the payment flag to "N" in safer. This way it will remove any confusion for law enforcement.
Third – action item 141 – UCR History download consistency issue. Currently FMCSA is downloading five years' worth of payment history and this causes the servers to crash. It is recommended that they only download 3 years. This would mean the current year plus the two previous years.
